◆ Monthly Service Charge based on the number of cash management services obtained during your statement cycle.

<sup>†</sup> Monthly Service Charge based on activities that occur during your statement cycle.

<sup>^</sup> No fee for initial issuance of an ATM/Debit Card.

<sup>\*</sup> Monthly Service Charge waived if combined commercial loan balances are equal to or greater than \$10 million.

<sup>\*\*</sup> Limited to business accounts and certain estate planning trusts.

<sup>1</sup> Applies to checking and money market accounts after 1 year of no transaction activity.

<sup>2</sup> Kennebunk Savings may, at its discretion, honor withdrawal requests that overdraw your account. However, the fact that Kennebunk Savings may honor withdrawal requests that overdraw your account does not obligate it to do so later. So you can **NOT** rely on it to pay overdrafts on your account regardless of how frequently or under what circumstances it has paid overdrafts in the past. It may change its practice of paying or not paying discretionary overdrafts on your account without notice. Overdraft Fees are charged when check, Automated Clearing House (ACH), or recurring point of sale (POS) debit card transactions are paid against insufficient funds. ATM withdrawals and one-time debit card transactions will be declined if there are insufficient funds at the time of authorization. Overdraft Fees will be charged for each time a transaction that is more than \$5 is presented for payment. An account has insufficient funds when the available balance is overdrawn by more than \$10. There is a limit of five (5) Overdraft Fees charged per account per business day.

<sup>3</sup> Not charged for replacement due to unauthorized use or name change, or for damaged cards issued over one year or first damaged card replacement.

<sup>4</sup> Lost, stolen, or destroyed Money Order from Kennebunk Savings is reissued as a Kennebunk Savings Treasurer's check.
